

Rules and Procedures for Photographers with Private Use of Farm

- Follow parking signs to the designated parking area in the field in front of ticket booth. Park facing the yellow rope like a shopping mall. Please advise others in your party to do the same in the event they arrive before you.
- **No Dogs Allowed**
- Payment is due upon arrival by the client. That way, we can get out of your way for the remaining time. We accept all forms of payment.
- Props- You are welcome to move items around (ex. antique luggage in train) but we ask that you put them back exactly where you found them.
- The doors on the red truck do not open but you are welcome to place children in the bed of the truck
- Food, drinks, and any trash need to be removed or placed in trash cans as we most likely have school groups coming in the following morning
- ***Your reserved time is for Photography only. Kids and teens are not to be playing on any of the attractions. Our activities must be supervised by staff members as required by our liability policy. Please come back during regular hours to enjoy the activities!
- Animals are not to be disturbed and no pens are to be opened. No food is to be given to animals.
- Bathrooms are always open.

- We will stay on the property, but out of your way during your time. Please let us know if you have questions or needs.

Thanks!
